

Memorandum of Understanding  
Between  
Rajamangala University of Technology Phra Nakhon  
And  
Bangkok Aviation Center Public Company Limited  
On Academic, Aeronautics and Aviation Collaboration

This memorandum of understanding ("MOU") is made on 30 September 2019. This MOU expresses the cooperation between

**Rajamangala University of Technology Phra Nakhon**, located at 399 Samsen Road, Vajira Payaban, Dusit, Bangkok 10300, Kingdom of Thailand ("RMUTP"), authorized by Associate Professor Supatra Kosaiyanont, the Acting President, and

**Bangkok Aviation Center Public Company Limited**, located at 88/117 Soi Vibhavadi Rangsit 72, Sanambin Subdistrict, Donmuang District, Bangkok 10210, ("BAC"), as authorized by Wg.Cdr. Phat Winmoon and Mr. Tanai Porasupattna.

RMUTP and BAC, hereinafter referred to as the "Parties", have agreed to promote academic and aviation collaboration. The Parties have reached the agreements as follows:

1. The Parties shall collaborate for mutual benefit, encourage, promote, and implement the following activities: *Academic, Aeronautics and Aviation Aspects*
  - 1.1 Develop and train pilot, aircraft maintenance, and aviation ground support programs and learning processes;
  - 1.2 Develop curriculum and organize field trips and workshops to promote knowledge sharing and learning among academic staffs and students;
  - 1.3 Participate in seminars, academic meetings, symposiums and lectures;
  - 1.4 Expand on students' learning and co-operative education (co-op) opportunities;
  - 1.5 Enroll students and alumni who wish to increase their academic qualifications in new collaborative programs, courses and curriculums; and
  - 1.6 Provide scholarships and grants to staff, students, and alumni who wish to increase their academic qualifications through further study in new collaborative programs, courses and curriculums.

*Other Aspects*

- 1.7 Provide resources for technology transfers and academic services; and
  - 1.8 Exchange of academic materials and other relevant information.
2. This MOU expresses the intention of the Parties. It is acknowledged by both Parties that the MOU does not have legal effect, nor does it contain financial or operational requirements that are legally binding on either Party. Specific agreements or other memorandums of understanding necessary for implementing this MOU shall be made separately following negotiation and agreement between the Parties.
  3. This MOU shall take effect from the date that representatives of the Parties affix their signatures to it ("effective date"). This MOU shall be valid for a term of five years from the effective date, and the term may be revised or extended by mutual consent of the Parties.
  4. Either party may terminate the MOU at any time by written notice signed by an appropriate official of the party initiating the notice. The notice must be received by the other party at least six months prior to the effective date of termination. The termination of this MOU will not affect the continued implementation of on-going activities or programs undertaken pursuant to this MOU that were initiated prior to the date of termination of this MOU, unless as otherwise jointly agreed upon by the Parties.
  5. This MOU shall be governed by and in accordance with the laws and regulation of the Kingdom of Thailand. Further, all activities resulting from this MOU shall be governed by and in accordance with the laws and regulations of the Kingdom of Thailand. All agreements and obligations of the Parties shall be subject to the procurement and maintenance of all applicable government consents, permits, authorizations, and approvals.
  6. Any dispute or differences arising out of the interpretation or implementation of this MOU shall be settled amicably through consultation between the Parties.
  7. All information shared, permissions granted, and agreements made under this MOU shall be communicated in writing by an official letter to the other party.
  8. The parties agree that the existence of this MOU, and the fact that the parties are entering discussions related to the Purpose (including the status of such discussions) shall not be disclosed, save and except to the extent that the Purpose relates to the submission of a proposal for a customer where disclosure must be made.

9. Confidential & Data Protection

- (a) Each Party hereto undertakes that neither it nor any of its personnel shall (except with the prior written consent of the other party, such consent not to be unreasonably conditioned, withheld or delayed):
  - (i) Make any reference publicly either to the press or in books, magazines and periodicals or by advertisements or by other medium of communication to the terms and conditions of this agreement or information in its possession as to the operation of the other party.
  - (ii) Disclose any matters referred to in (i) above to any third party not directly concerned with the work hereunder.
- (b) No Party to this MOU shall, without the prior written consent of the other party, disclose to anyone the contents of this document, other than to its employees, agents, representatives and/or contractors having a need to know such information for the purposes of this MOU and/or to its legal, tax and other professional advisors. No news releases, public announcements or reproduction of all or part of this MOU shall be made without prior written consent of either party.
- (c) All Party will treat, and will require its employees, agents and representatives to treat as strictly confidential all information concerning each party' s business, organization, finances, customers, dealing, transactions or affairs.  
Neither party will disclose such information to third parties without the prior written consent of the other party, except where required by law, regulation or by administration order or by court order, or necessary to perform under this MOU.
- (d) All parties will comply with all applicable data protection in its performance of this MOU.

10. This MOU is made in two identical counterpart copies, each of which is to be considered the original.

In witness whereof, the Parties hereto have duly affixed their signatures under hand and seal and executed this MOU on 30 September 2019.
